

let us therefore approach the throne of grace with boldness, so that we may receive mercy and find grace to help in time of need.

I am so honored that you have decided to join me for the next few days on how to truly grasp the power of BOLD prayer!

Perhaps you are a bit like me when it comes to praying. When I share my heart with the Lord, I know that He hears my desperate cries.

All throughout Scripture we are encouraged to come to Christ with our burdens and frustrations.

We may have heard many sermons on how we can take our concerns to the cross, and leave them at the feet of our Savior. Although I know He hears me, I sometimes doubt if He will really answer my requests.

Have you ever in the back of your mind wondered..."Will God really come through?" "Are my prayers too petty?" "Should I even be asking for this?" There are times when I have tried to conjure up all the confidence I can muster, but I still find myself doubting whether or not I am wasting my time...have you ever been there?

If you have, then you are in the right place! The B.O.L.D prayer challenge is a way for us as Christian women to stop doubting the sovereignty of God in the midst of our situations, and to believe that we can call on our Abba Father with bold, audacious prayers.

Hebrews 4:16 says,

"Let us then approach God's throne of grace with boldness, so that we may receive mercy and find grace to help us in our time of need."

In this four day challenge, we will look at the prayers of people from the Bible who were brave enough to pray bold prayers-and saw the Lord work in powerful ways in their lives.

So let's dive in together with an open heart and mind, and ask as the disciples did: "Lord, teach us to pray!"
