

A Prayer *for* Breakthrough

Lord,

I thank you that you are a God who NEVER changes (James 1:17). Give me the grace and wisdom to see the areas in my life where I need to change. Open the eyes of my heart to the places in my life where I need a breakthrough. May this be a season where I see dramatic transformation within my heart.

I cannot change anyone or any situation, but I CAN change my thoughts and attitudes with your help.

Renew my mind by the power of your Word (Romans 12:2). I ask that you till the ground of my heart and bring about good fruit in my life.

Grant me a breakthrough in my mind, thoughts, and attitudes. Bring about a breakthrough and positive change in my family, in my heart, and in every aspect of my life. I ask that you bring a powerful transformation in my life for your honor and glory.

In Jesus name, amen.
