

A Prayer

for my

Father

Lord,

I pray a prayer of blessing over my father today.

I honor him as a wonderful man of God, and ask that

you will bless him immensely. Equip him with

everything he needs to carry out his role as a father

with your grace and favor.

Bless him to enjoy his life and the fruit of his labor, and

bless him to live a long, joy-filled life on this earth.

Amen.

In Jesus' name, Amen.
