

A Prayer

for
Students in

Ninth Grade

Lord,

I pray for ninth grade students to cultivate a continued love for learning. Help them to grow in knowledge, wisdom and understanding. As they begin their high school years, equip them with discipline and direction to make good choices and further their education with excellence. Give them a deeper understanding of their studies, and a greater appreciation for the amazing world you have designed for them to investigate and explore. Surround them with your grace and favor this school year.

Amen.
