

# ***A Prayer*** *for* ***Graduate Students***

*Lord,*

*I pray for students who are in graduate school. Give them the perseverance and strength to continue diligently in their studies. Help them to pursue their passions with dedication and tenacity. As they aim to gain greater expertise in their field of study, help them to remain faithful and steadfast. May all of their hard work benefit their community as they seek to serve and share their knowledge and insight with others.*

*Amen.*
