

A decorative border of colorful foam letters in various colors (red, yellow, blue, green, purple, orange) surrounds the central text area.

A Prayer

for
Students in

Preschool

Lord,

I pray for young preschoolers as they start school for the first time. Give them protection and safety as they go to class each day, and help them to learn and grow throughout their new school experience. Thank you for their sense of awe and wonder at the world you have created, and fill their hearts and minds with your joy each day.

Amen.
