

# ***A Prayer for Today***

*Lord,*

*I come before you in prayer on this beautiful day.*

*Thank you for the gift of a brand new day, and I praise you that your mercies are new every morning.*

*Teach me how to spend time with you as part of my morning routine as I seek to grow spiritually each day.*

*Give me the strength to remove distractions in my life that take my focus off of you.*

*Help me to remember that abiding in you through prayer, Bible reading, and other spiritual disciplines are the best ways to connect with you each day.*

*May my daily time with you strengthen my soul as I experience peace, hope, and joy in your presence.*

*In Jesus' name, Amen.*
